

The Finite by Alix Li 李影

I have known infinity—and now to know finitude. To Time The Impossible.

I Am Borne In the age of finity, to Finite All. Because I WAS BORNE To Finity I Know Finitude.

Finitude Is Lasting.

Finitude Lasts Because Only.

Only Is Lone.

Finity To Last.

Finity Is Last.

Finity Is Last Because Last Ends.

Finity Is Ending.

Finity Is Ending Because Last of All Ends.

Finite All Is Last All To End.

Finite All Is Last All To End Because Only Lonely Lastly.

To Finite All Is Lasting End.

To Finite All Is Lasting End Because End Is Last.

---

Because I Last End, And Am BORNE To All End, I Do End Last.

Because I End Last, So Am NOW Infinity, I Become Endless. To Be Time To Possible.

I NOW Infinity.

I NOW Infinity Because I End Finity.

So I NOW Infinite.

I NOW Infinite Because I NOW Infinity.
